

Add TG Buck Pool to your Home Screen

Access Buck Pool info on your mobile device instantly — just like an app

iPhone / iOS Instructions

Follow these steps in Safari (the default iPhone browser). This will not work in Chrome or Firefox on iPhone.

1. Open Safari and go to: <https://outsidetg.com/tgbuckpool>
2. Wait for the page to fully load.
3. Tap the Options button at the bottom of the screen — it looks like three dots
4. Tap Share
5. Scroll down and tap "Add to Home Screen."
6. You can edit the name if you like (e.g., "TG Buck Pool"), then tap "Add" in the upper right corner.
7. The icon will now appear on your home screen. Tap it anytime to open the site instantly!

Android Instructions

These steps work in Google Chrome, which is the default browser on most Android phones.

1. Open Chrome and go to: <https://outsidetg.com/tgbuckpool>
2. Wait for the page to fully load.
3. Tap the three-dot menu icon in the upper right corner of Chrome (it looks like :).
4. Tap "Add to Home screen" from the menu.
5. You can edit the name if you like (e.g., "TG Buck Pool"), then tap "Add."
6. If prompted, tap "Add automatically" or drag the icon to your home screen.
7. The icon will now appear on your home screen. Tap it anytime to open the site!

 **Tip:** *On some Android phones the option may say "Add to Home screen" or "Install app" — either one works the same way.*
